

# IF YOU BIKE IN DENVER

**Drive your bike like you drive your car!**

## **OBEY STOP SIGNS, TRAFFIC SIGNS & STOP LIGHTS**

Set an example for everyone and wait in line for a green light! **Bikes and cars – same rights, same laws.**

## **TAKE YOUR PLACE IN TRAFFIC**

Ride your bike on the street; **sidewalks are reserved for pedestrians.**

## **ALWAYS RIDE WITH TRAFFIC**

When you're on a bicycle, you **ARE** traffic. **Ride on the right**; it's predictable and safer for everyone.

## **BICYCLE RIDING IS PROHIBITED ON THE 16TH STREET MALL**

**Ride the mall on Sundays**, when RTD lanes are open to bicyclists.
